****The progression of rider entries in Hunters/Equitation over a period of time usually goes Walk Trot, Short Stirrups, Intermediate Rider, Modified Rider, Low Children's /Adult and lastly, 3' Children's /Adult. Once a rider has moved up into another fence height or division such as Short/Long Stirrups into Intermediate, it is not appropriate to move backwards ie; show again in Short/Long Stirrups. It is the rider's responsibility to read the class specs and contact the show management if any questions remain prior to making their entries. It is not the show secretary's role to proof entries for eligibility. Riders and Trainers are responsible for the validity of their entries. Should an anomaly be brought forward to show management by an exhibitor it will be investigated fully.**

JUMPER SPECIFICATIONS

Courses in 2022 will be judged on the basis of Time & Faults unless otherwise specified on the schedule and at the Course Board. Courses are posted 30 minutes prior to arena start.

- There are normally 2 courses posted each day, the Black course— also the course for the warm up round, and the Red Course which is also used for the Equitation round if applicable. The Classic round may be specified on the board.
- **The judge has the discretion of levying an 8 second penalty for riders demonstrating excessive and dangerous speed. Accuracy and control wins the class!!
- High Points are calculated on both Saturday and Sunday's placings within a division.
- Polo shirt, boots/breeches are acceptable ring attire for all jumper classes including Classics. Jackets may be worn however, at the discretion of the exhibitor.
- The Crossrails and Novice Jumper classes are for green, inexperienced riders, experienced riders seeking confidence to return to the show arena and/or green horses and ponies. It is not appropriate to use these classes as a warm up for higher fence heights over 2'.
- All Open classes may be ridden by professionals or amateurs, however all Children's/Adult Jumper Classes and Equitation classes are to be ridden by amateurs only.
- Higher fence heights may be provided upon request.
- Jumper Equitation rounds are offered at the lower fence heights for Amateurs, as this horse show believes that how you jump is equally as important as if you jump. These shows provide excellent opportunities to increase the rider's skills and proficiency, to be measured by the Equitation classes.
- At 2' and below, year end award eligibility is based on the rider, who may need to ride multiple horses throughout the year.
