LOOKING FOR CLASS COUNTS BEFORE/ AFTER OR AT THE SHOW? Go to our show software provider horse-showtime.com/showselector to find our show and the data we've keyed... (just one of the reasons pre entries are wonderful!) We normally post the class counts by Thursday evening before each show. The software allows you to see each horse/rider combination and what classes they're in, and what ribbons they've received. We pull the info from this software to calculate and load the points into the Excel spreadsheets. Ms. Amanda normally has this done by the Monday after each show. She is truly an Amazon of Pointskeeping...

ANNUAL AWARDS BANQUET IS SATURDAY DEC 6 AT THE GRAND OAKS RESORT. Major improvements to the GO Ballroom this year! State of the art audio-visual, a huge beautiful stage and more tables that seat 10 along with 6 yes, SIX new air conditioning units!!! Thanks to Grand Oaks' investment in Dinner Theater and weekly concerts/entertainment...yay!!

LEADLINE!! Our leadline class is currently on Saturday and Sunday at 1pm in the Novice arena. LL1 and LL2 on the schedule—it's as close to 1pm as we can rustle everyone up for, so the family can know when to take the pictures. Look for an expanded Leadline offering in 2026 because Jeanne came back from Middleburg, Virginia this summer with some great ideas!! Leadline is always \$15 with no other fees as long as the horse/pony is registered as showing with another rider.

- Grand Oaks has cottages, villas and RV sites for rental during each show. Some are attached to barns, and others are freestanding. If you know your group may be attending the 2026 show year, get on Joyce's list for the right size cottage now, as often they sell out before each show.
- Fear not if you have missed a cottage on the showgrounds as there are many name brand nicely maintained hotels within 3-6 miles of the showgrounds, at competitive rates and offering the opportunity for you to use those travel rewards!! Don't forget AirBnB's and there are tons of them in the Villages, some with golf carts too!
