HORSE SHOWS IN THE PARK, LLC
RELEASE, WAIVER, HOLD HARMLESS, DEFEND AND INDEMNIFICATION AGREEMENT
THIS DOCUMENT AFFECTS YOUR LEGAL RIGHTS – PLEASE READ CAREFULLY BEFORE SIGNING

The undersigned, as a Participant/Spectator/Client/Visitor/Guest/Volunteer/Contractor (collectively "Participant"), on his/her own behalf and, if applicable, as the Parent/Legal Guardian of a minor (minor included as "Participant"), for good and valuable consideration, agrees to the following terms and conditions of this Release, Waiver, Hold Harmless, Defend and Indemnification Agreement ("Release"):

1. Assumption of Risk and Waiver: Participant understands and accepts that the Inherent Risks of engaging in Equine Activities, while mounted or unmounted, as well as merely being near a horse or pony (collectively "**equine**"), include, but are in no way limited to, faulty equipment or tack that causes injury or death, Released Parties' failure to make a reasonable effort to determine the ability of Participant to engage safely in an Equine Activity or to safely manage the particular equine provided based on Participant's representations of his or her ability, Released Parties' failure to conspicuously post warning signs of a dangerous inconspicuous condition on the real property, as well as: (a) The propensity of equines to behave in ways that may result in injury, harm, or death to persons on or around them (ex.: jump, run, kick, buck, bolt, spin, rear, strike, bite, stumble, fall, etc.); (b) The unpredictability of an equine's reaction to such things as sounds (ex.: machinery, equipment, doors, rain, wind, thunder, voices, animals, fireworks, guns, motors, music, etc.), sudden movement, and unfamiliar objects (i.e. trailers, barrels, poles, cones, flowers, flags, mini-bikes, water, rocks, construction material, jumps, brush, carts, etc.), persons, or other animals (ex.: leashed or unleashed dogs, wildlife, other equines etc.); (c) Certain hazards such as surface and subsurface conditions (ex.: ground holes, uneven terrain, slippery or deep footing, opened/closed gates, etc.); (d) Collisions with other equines or objects; and, (e) The potential of a participant to act in a negligent manner that may contribute to injury to Participant or others, such as failing to maintain control over the animal, or not acting within his or her ability (collectively "**Inherent Risks**"). Participant agrees that engaging in Equine Activities under this Release includes, but is in no way limited to, those listed in the Florida Equine Activity Statute (F.S.A. §773.01-773.06), riding an equine, and petting, grooming, leading, mounting, feeding, observing, transporting, and otherwise interacting with or merely being in the vicinity of equines (collectively "**Equine Activities**"). Participant understands illness (including communicable disease), injuries, death, damage, or other loss (collectively "**Loss**") may result from the Inherent Risks of engaging in Equine Activities or just being near an equine, that equines are powerful and have the potential to be dangerous and cause Loss without warning, that the risks listed in this Release are just a sampling, and Participant is not relying on Released Parties to list all possible equine-related risks. Participant agrees to the following: assume the Inherent Risks in Equine Activities; be responsible for his/her personal health and safety, medical expenses, proper fit and use of safety equipment, and for the risk of Loss of any personal property stored or stabled with Released Parties; purchase and maintain his/her own health and liability insurance; and, waive his/her right to any claims arising from participation in or observation of any Equine Activities, being near an equine, or merely being present on real property owned, leased, rented, borrowed, visited, organized upon, or otherwise occupied or utilized by Released Parties, regardless of whether or not Participant's presence there is related to equines or Equine Activities. The following shall be included as Released Parties herein: Horse Shows in the Park, LLC ("**HSITP**"); Equine Management Resources, LLC ("**EMR**"); Jeanne Winslow; the owner, lessor, and/or lessee of the equine and/or real property involved in the Loss; and each of their respective entities, partners, spouse, heirs, beneficiaries, relatives, agents, assigns, employees, volunteers, contractors, working students, instructors, guests, visitors, members, managers, officers, directors, owners, and others acting on their behalf (collectively "**Released Parties**").

2. Release, Hold Harmless, Defend and Indemnify, Release of Likeness: Participant agrees to release, hold harmless, defend and indemnify Released Parties for any Loss incurred by Participant, Participant's property, and/or Participant's equine even if such Loss is caused in any part by negligence or other fault of Released Parties (except willful or wanton or intentional misconduct). OPTIMUM TIME INFORMATION

At HSITP, we score and place our Jumpers that jump Ground Poles *up to .60m (2')*, on the basis of "Optimum Time". This is a time that is as a result of cantering the course at an efficient speed of generally 350 meters per minute. Each course is wheeled, and then a calculation is made to obtain the Optimum Time for that course. Per USEF guidelines, 4 seconds is then deducted from that calculated time.

Times of completion are noted by the judge, and then the class is placed according to the riders who came closest to the optimum time, either higher or lower and taking into consideration any faults incurred due to downed rails.

The Optimum time approach is good for the lower fence height levels and provides an emphasis on getting to each fence accurately and efficiently, at a good even cantering pace. We DON'T believe a "time and faults" approach works at the lower levels because it encourages dangerous, fast riding at the lower levels of rider proficiency, which may lead to falls and an unsafe performance. This Optimum Time approach has been adopted by USEF at levels up to and including .85m (2'9").
